EDUCATION

Computer Science Degree Universitatea Babeş Bolyai

10/2019 - Present

Courses

- OOP
- Algorithms
- Data Structures
- Geometry / Calculus / Algebra

PERSONAL PROJECTS

Self Driving Car 🚗

- Tools used: Python, PyTorch
- Using the Deep Q-Learning algorithm I have built a self-driving car
- I have learned about the experience-replay technique and the balance between the exploration and consistency of the algorithm

Simple Calculator 🧮

- Tools used: Java8, JavaFX, Scene Builder
- A simple but efficient calculator

Book GUI Dataset 📖

- Tools used: C++, QT Framework
- A GUI application that allows CRUD operations on a dataset as well as saving, loading, undo/redo operations on the data and many personalized features

Tech Blog 📝

- Tools used: HTML, CSS, JavaScript, PHP, MySQL
- A Tech Blog. Nothing more, nothing less

WORK EXPERIENCE

Master Data Analyst Drăxlmaier Group

01/2021 - Present

Satu-Mare, Romania

Tasks

- Automation of workflows
- Ensures master data integrity in key systems as well as maintaining the processes to support the data quality

Computer Science mentor Online

11/2019 - Present

Online

Tasks

- Teaching informatics to others

Cashier KFC

07/2019 - 10/2020

Cluj, Romania

Tasks

- Working in a fast phase environment
- Working in a team

SKILLS

Teamwork

Communication

Attention to detail

Calm under pressure

Client - oriented

Backend Programming skills (C/C++, Java, Python, PHP)

Frontend Programming skills (HTML, CSS, JS)

ACHIEVEMENTS

Passed the test phase for Academy+Plus (07/2017 - 08/2017)

Academy+Plus was a program held in Cluj that had it aims to prepare future programmers. During the testing phase, we were required to take weekly exams, weekly group projects, and daily exercises. Only a portion of the people passed this phase, me being a part of them

Entered the most prestigious university in the country

I have successfully passed all the exams and entered the most prestigious university in Romania

CERTIFICATES

Cambridge English Level 1 Certificate

Offered by University of Cambridge

Artificial Intelligence Certificate

Offered by Super Data Science Team

Java Certificate

Offered by Tim Buchalka's Learn Programming Academy

Digital Skills Certificate (Baccalaureate)

LANGUAGES

English

Complete professional competence

Romanian

Native

INTERESTS

Running

Photography

Swimming
