EDUCATION

Computer Science Degree Universitatea Babeş Bolyai

Courses

- OOP
- Algorithms
- Calculus
- Data Structures
- Geometry
- Algebra

PERSONAL PROJECTS

Self Driving Car 📄

- Tools used: Python, PyTorch
- Using the Deep Q-Learning algorithm I have built a self-driving car
- I have learned about the experience-replay technique, and the balance between exploration and consistence of the algorithm

Simple Calculator 📄

- Tools used: Java8, JavaFX, Scene Builder
- A simple but efficient calculator

Book GUI Dataset 📄

- Tools used: C++, QT Framework
- A GUI application that allows CRUD operations on a dataset as well as saving, loading, undo/redo operations on the data and many personalized features

Tech Blog 📄

- Tools used: HTML, CSS, JavaScript, PHP, MySQL
- A Tech Blog. Nothing more, nothing less

WORK EXPERIENCE

Computer Science mentor Online

11/2019 - Present

Tasks

- Teaching informatics to others

Trade worker Unicarm

11/2020 - Present

Tasks

- Being a cashier responsible for the money transactions
- Serving customers in the meat and cookies sections
- Restocking shelves & guiding customers

Cashier KFC

07/2019 - 10/2020

Romania, Cluj

- Responsible for money transactions

SKILLS

Teamwork

Communication

Attention to detail

Calm under pressure

Client - oriented

Backend Programming skills (C/C++, Java, Python, PHP)

Frontend Programming skills (HTML, CSS, JS)

ACHIEVEMENTS

Passed the test phase for Academy+Plus (07/2017 - 08/2017)

Academy+Plus was a program held in Cluj that had it's aim to prepare future programmers. During the testing phase, we we're required to take weekly exams, weekly group projects and daily exercises. Only a portion on the people passed this phase

Entered the most prestigious university in the country

I have successfully passed all the exams and entered the most prestigious university from Romania

CERTIFICATES

Cambridge English Level 1 Certificate

Offered by University of Cambridge

Artificial Intelligence Certificate

Offered by Super Data Science Team

Java Certificate

Offered by Tim Buchalka's Learn Programming Academy

Digital Skills Certificate (Baccalaureate)
