## EDUCATION

### Computer Science Degree Universitatea Babeş Bolyai

10/2019 - Present

Courses

- OOP
- Algorithms
- Data Structures
- Geometry / Calculus / Algebra

## PERSONAL PROJECTS

### Tech Blog 📄

- Tools used: HTML, CSS, JavaScript, PHP, MySQL
- A Tech Blog. Nothing more, nothing less

### Simple Calculator 📄

- Tools used: Java8, JavaFX, Scene Builder
- A simple but efficient calculator

### Book GUI Dataset 📄

- Tools used: C++, QT Framework
- A GUI application that allows CRUD operations on a dataset as well as saving, loading, undo/redo operations on the data and many personalized features

### Self Driving Car 📄

- Tools used: Python, PyTorch
- I have learned about the experience-replay technique and the balance between the exploration and consistency of the algorithm

## WORK EXPERIENCE

### Master Data Analyst Drăxlmaier Group

01/2021 - Present

Satu-Mare, Romania

Tasks

- Automation of various workflows among two teams with VBA
- Processing material master with SAP in order to support the data quality
- Creation of materials inside TeamCenter and transfer them into SAP

### Computer Science mentor Online

11/2019 - Present

Online

Tasks

- Teaching Computer Science themes (C++, Python, OOP, Data Structures)
- Implementation of complex features for various projects
- Help develop public or personal projects

## SKILLS

Team player

Communication

Attention to detail

Analytical and logical thinking

Client-oriented

SAP

MS Office

OOP

Data Structures

Algorithms

Git

C++ - advanced

VBA - advanced

Python - medium

Java - low

## ACHIEVEMENTS

### Passed the test phase for Academy+Plus (07/2017 - 08/2017)

Academy+Plus is a program held in Cluj which aims to prepare future programmers. During the testing phase, participants take weekly exams, prepare weekly group projects, and complete daily exercises. I was part of the small portion of participants that passed this phase.

## CERTIFICATES

### Cambridge English Level 1 Certificate

Offered by University of Cambridge

### Artificial Intelligence Certificate

Offered by Super Data Science Team

### Java Certificate

Offered by Tim Buchalka's Learn Programming Academy

## LANGUAGES

English

Complete professional competence

Romanian

Native

## INTERESTS

Running

Teaching

Photography

Swimming

Walks in the forest

Singing

Cooking

Evolution of Tech

Sci-Fi Movies

Code Contests

Automation
